

## ***Would you like to be certified in Mexico as a Bilingual Teacher by the State of Texas?***

Currently you can obtain in Mexico the certification as a bilingual teacher by the State of Texas by participating in the **Region IV** Alternative Certification Program.

The program has been offered in Mexico since 15 years ago. It is sponsored by the Texas government agency **Region IV Education Service Center** ([www.esc4.net](http://www.esc4.net))

The basic requirements to be eligible are:

- Bachelor's degree (Licenciatura) in any major (Titled or in process).
- G.P.A. of 7.5 or more.
- Fluent in English.
- To take certification courses on weekends at some of the participant universities at D. F. (Universidad Intercontinental), Monterrey (Universidad Regiomontana) and Guadalajara (Universidad Autónoma de Guadalajara). For other cities the on-line courses option is also available.
